We have an ambitious religious education program here at UUCB. Your participation as leaders, helpers, and resource people is vital to its success. Bringing your children to church regularly is one way of showing that you recognize the importance of spirituality and faith development. Your financial pledge also contributes to our ability to provide ambitious programming. Perhaps most important, though, is your involvement as a volunteer. Working with the Religious Education Program demonstrates by example that you value the program and its goals. Our program is successful because of everyone's commitment to our church's children and youth!

Are you willing to volunteer as a Class Leader or Assistant? Yes No, not now
Volunteers are scheduled on a semester basis and serve 2 or more Sundays. Curriculum and supplies provided, and you always work with a partner. Available after 6 months of church involvement.

If so, with what age group(s) would you prefer to work?

Infants/Toddlers Preschoolers Kindergarteners-2nd Graders
 3rd-6th graders 7th-12th Graders Adults only

I am willing to talk with someone about serving on our Religious Education Committee, aka the Spiritual and Ethical Enrichment Committee (SEEC).

I am new to the congregation and wish to learn more about it before making a specific commitment to the program. Please contact me in a couple of months.

In the space below and on the back, feel free to contribute your ideas for our program and/or areas not listed above where you could help. THANK YOU!
